

# ThinkSystem 430-16e SAS/SATA HBA and 430-8e SAS/SATA HBA Installation and User Guide

---

## 1.3 Installing the Driver

This adapter can operate under various operating systems; however, you must install the software drivers. The firmware and drivers are routinely updated and made available on the Lenovo web site. Refer to <http://support.lenovo.com> for details on the software versions and device driver support.
